

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Guyula to the Minister for Environment and Natural Resources:

Emissions Reduction

1. Please provide a timeframe for implementing the climate change framework for the NT?
2. Is the NT Government considering an emission reduction target?
3. When will the Government increase rangers powers to protect country? What will this look like?

Answer:

1. A draft Climate Response Strategy is currently being finalised, and will be released as a draft for public review in the coming months.
2. The NT Government is considering the possibility of an emissions reduction target.
3. This question is best directed to the Department of Tourism, Sports and Culture given their legislative responsibility over ranger powers.
