

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mrs Jo Hersey to the Minister for Corporate and Digital Development:

**Cost of administering the Banned Drinker Register (BDR)**

Following machinery of government changes in 2020, funding of the Banned Drinker Register (BDR) moved from Racing, Gaming and Licensing to Corporate and Digital Development.

- What was the actual cost of administering the BDR in 2019-20?

The Department of Corporate and Digital Development is funded to administer the digital system and IT infrastructure related to the BDR. The information below provides BDR technology related costs.

\$1.87 million

- What is covered by those costs?
  - Telecommunications connections
  - Point of sale devices (computers and scanners)
  - Training and stakeholder engagement
  - Support, hosting and maintenance of the ICT system that records BDR data
- What is the budget for administering the BDR in 2020-21?

\$2.13 million
