

Question No: 84

Question: Appropriation for Division 26

Date: 12/11/91

Member: Mr EDE

To: TREASURER

1. How much of the \$8.7m increase in the appropriation for division 26 will be taken up by currently announced national wage decisions and superannuation decisions.
2. How much of the \$8.7m increase will be taken up by other considerations.

ANSWER

1. There has been in fact a decrease in the appropriation for division 26 from \$14.991m in 1990-91 to \$7.201m in 1991-92. None of that appropriation will be taken up for the purposes described.
2. See answer to question 1.
