Subject: Crowd controllers at bottle shops

QUESTION

How many new crowd controllers are in place at bottle shops since the announcement on 22 March?

ANSWER

As at 20 June 2023, 33 businesses had applied for the crowd controller grant funding to offset the cost of a crowd controller at their premise. The crowd controller funding program closes for new applications on 23 June 2023. The Government does not have data on the number of crowd controllers employed by all licenced alcohol takeaway venues beyond those funded under the grant program.
