To whom it may concern,

I am a constituent of the Nightcliff electorate in the Northern Territory and I strongly oppose the proposed Territory Coordinator Legislation. I implore the Scrutiny Committee to recommend to Parliament that it not be passed.

I am deeply concerned about the overreach the Territory Coordinator role would have to bypass essential democratic processes that help protect our environment, vulnerable communities, and ensure good governance. Despite the CLP Government being elected on a platform of transparency and accountability, the Territory Coordinator Legislation, including the recent revisions, establishes a blatant disregard for the community's concerns.

I urge the Scrutiny Committee to block this new bill for the good of the Northern Territory, the magnificent place that we all call home.

Regards,
