Hello, I would like to express my strongest opposition to the introduction of VAD in the NT. Firstly, I oppose it on principle as accords with basic Christian belief, but also on every conceivable level. I believe it to be sneaky and pernicious and ultimately designed to deceive.

You only need to see how it is being applied in other parts of the country, or witness a family member succumb to its insidious seductive power, to know the spell that it can cast over an entire population.

Regards,

Greg Sobey
