Good afternoon,

I request that my name be withheld from the public.

I am a Terriortian who lives in [REDACTED].

I am writing as I am greatly concerned about the lack of consultation, research, and biased views that has been surrounding legalising Voluntary Assisted Dying (VAD).

I want to add that as a health care professional, soon-to-be mother, wife and Christian, I am opposed to legalising VAD in the NT.

Please reflect on what the community is saying regarding cultural barriers, religious views, and healthcare ethics (do no harm) and the unique population of the Northern Territory.
