**Subject:** Time between code yellow request and enactment

---

**QUESTION**

What was the longest period between the request for a code yellow and it being enacted in the reporting period?

**ANSWER**

The average time between recommending and approval of the enactment is 266.5 minutes, which I am told is four hours, 43 minutes.

The longest time between a request by the CE and enactment is 926 minutes, which was, basically, overnight.
