Title:	Damaged windmill at Dundee Beach
Presented on:	Tuesday 14 February 2006
Presented by:	Mr Knight
Referred To:	Infrastructure and Transport (Burns)
Response due:	13 June 2006
Response received:	11 May 2006
Response presented:	13 June 2006

#### **Petition**

To the Honourable the Speaker and Members of the Legislative Assembly

We the undersigned, humbly pray that the damaged windmill at the watering point in Dunheved Road, Dundee Beach is replaced by a working windmill to provide a source of fresh water this Dry Season.

#### **Response**

The Department of Planning and Infrastructure is currently in discussion with the landowners, with a view to purchase land for a community hub to service the Dundee Beach region. It is intended to establish a replacement community bore within the proposed community hub.

Once the land has been secured, it is intended to liaise with the Dundee Progress Association regarding the equipping of the bore.
