**Using the Tilde key ‘ ~ ’ for Proximity Searches**

A proximity search allows the user to refine the search. For this example we will be searching for when Mrs Lambley spoke on the Alice Springs Hospital during the 12<sup>th</sup> Assembly.

Enter Lambley Alice Springs Hospital into the search field, this needs to be in double inverted commas ( “ ” ) with a space separating the words only - “Lambley Alice Springs Hospital”. The tilde symbol ‘ ~ ’ is placed directly after the text in double inverted commas followed by a word limit parameter (the amount of words between Lambley and Alice Springs Hospital) - “Lambley Alice Springs Hospital”~25.

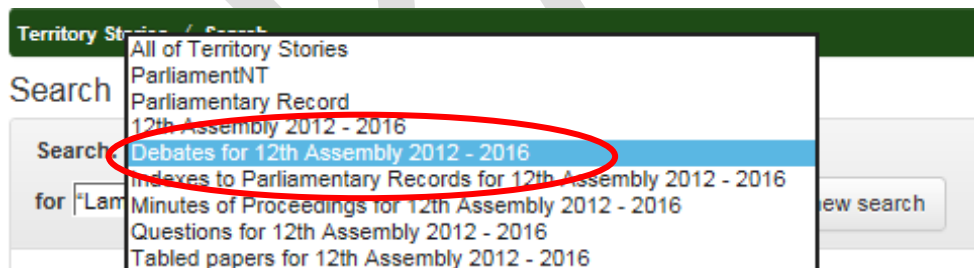

1. Use the proximity search: “Lambley Alice Springs Hospital”~25.

This has now found 24 documents within the 12<sup>th</sup> Assembly containing Lambley within 25 words of Alice Springs Hospital.

2. Final search – open drop down box and select debates:

This will bring the total search results down to 18.
