Question Taken on Notice

Question Number: 2-11

Date: 12/06/2018

From: Mr Gerry Wood

To: Hon. Nicole Manison

Portfolio: Infrastructure, Planning & Logistics

Agency: Infrastructure, Planning & Logistics

Subject: Drainage works from the Holtze (Palmerston) hospital to Mitchell Creek

QUESTION

Minister, how much were the drainage works from the Holtze (Palmerston) hospital to Mitchell Creek budgeted at? What is the cost so far? Why was the job started just before the Wet Season? When will the job be finished? Why was the drain not left in its natural state as much as possible as a much cheaper and environmentally friendly option?
