ESTIMATES COMMITTEE

Question Taken on Notice

Date: 21 June 2016 **Output:** 1.0 Regional Services
Subject: Asbestos Removal
From: Minister Bess Price
To:
Agency: Department of Local Government and Community Services

Number: 6.1

Question: If the department could share costs around the removal and disposal of asbestos as tabled in ministers opening statement?

Answer: A total of 27 000 cubic metres of medium risk asbestos contained materials have been removed from forty-four Northern Territory remote communities from non-government public owned assets. The disposal fees calculated from the four registered licenced waste disposal tips was a total cost of \$143 710.60.
