Subject: List of public functions

From: Mr Terry Mills to Speaker Jane Aagaard
Department of the Legislative Assembly

Question: **2-10**
Madam Speaker, please provide a list of the public functions and events and the nature and the cost. I can understand we do not need the cost of these events. Forget the cost.

Madam SPEAKER: Because all of these are in fact by members of parliament.

Mr MILLS: Therefore, there is no charge.

Madam SPEAKER: No. In terms of Speaker, ministers and Leader of the Opposition, there is no charge and other members. They just need to write to me and I waive the fees.

Mr MILLS: If I supplied sandwiches at that little event that I had in that little room, that's my business.

Madam SPEAKER: That is your business. I do not know anything about it.

Madam DEPUTY CHAIR: Madam Speaker, you are happy to take that question on notice?
