Subject: Training and Education of Foster Carers

From: Mrs Robyn Lambley to Hon Kon Vatskalis
Department of Children and Families

Question: **6-13**
What is the budget for the training and education of foster carers for this financial year?

Answer: Madam Deputy Chair, I have a response to question on notice 6.13. The question was: How much money has the department spent on training foster carers? This year \$116 000 has been spent on training foster carers. In addition to this, the department provided a current funding of \$92 550 to Foster Carer NT to develop new structure for their organization to better position themselves to provide training and education programs for foster carers. Training and education is a component of this grant
