

**LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**

**WRITTEN QUESTION**

Mr Higgins to the Minister for Aboriginal Affairs

***Young Indigenous Leaders***

1. Has the government developed its “pool of young Indigenous people to take on leadership roles across the Territory”? If not, why not?
2. If so, please advise how many young Indigenous leaders make up the pool and what leadership roles have been developed for them?
3. In which communities are these young leaders based?
