

**LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**

**WRITTEN QUESTION**

Mrs Lambley to the Minister for Health:

**Car Parking at the Alice Springs Hospital**

1. Is car parking currently monitored or policed at the Alice Springs Hospital?
2. If people park in a disabled car park and do not have a Disability Parking permit, what happens?
3. What are the repercussions for people who park illegally within the Alice Springs Hospital precinct?
4. Is anyone employed by the Alice Springs Hospital to monitor or check car parking, to ensure that people are not parking illegally in the Hospital car park?
5. How many designated "disabled car parks" are there within the Alice Springs Hospital precinct?
6. Is a map of the current car parking at the Alice Springs Hospital available?
7. Exactly where are the designated "disabled car parks" located within the Alice Springs Hospital precinct?
8. Is there a time limit placed on any car parks within the Alice Springs Hospital precinct? If so, where are these car parks and what is the time limit?
9. How many reported incidents have there been of people (including staff) being assaulted, harassed or threatened whilst parking at the Alice Springs Hospital over the past 2 years?
10. What plans does the Alice Springs Hospital have to address the car parking situation from now until the multi-story car park is built?
11. When will the multi-story car park be built?
12. Are the plans for the multi-story car park publicly available? If so, how can the public access these plans?
13. When will construction of the multi-story car park commence?
14. What are the traffic management plans on Todd Street for the construction and operation of the multi-story car park at the Alice Springs Hospital?
15. How many car parks will be taken up by the construction of the new multi-story car park within the Alice Springs Hospital precinct?
16. How many car parks will be taken up by the construction of the new Ambulatory Care Facility within the Alice Springs Hospital precinct?
17. Will the new multi-story car park and the new Ambulatory Care Facility be built at the Alice Springs Hospital at the same time?
18. Has the Alice Springs Hospital developed a plan for the new Ambulatory Care Facility? If so, is this plan publicly available? How can people access this plan?
19. How will the Alice Springs Hospital manage the increased pressure on car parking whilst the multi-story car park and the new Ambulatory Care Facility are built?
20. What plans does the Alice Springs Hospital have to assist the sick, old and disabled with car parking at the Alice Springs Hospital in between now and when the multi-story car park is built?
21. When will the plans for the multi-story car park be made public?
22. Given the multi-story car park for the Alice Springs Hospital was announced on 9 July 2019, what work has been done on the development of a plan and tender for this work?

23. Will other buildings in the Alice Springs Hospital precinct be removed or demolished to make way for the multi-story car park?
24. When will the old pathology building be demolished?
25. Has the tender to demolish the old pathology building been awarded? If so, please provide all details, including how much this will cost?
