AGENCY ADMINISTRATION

Notes:

We submitted these questions and received responses as at 31 March 2020. Now that there have been significant machinery of government changes, in the interests of accountability and completeness, we are asking the same questions for a full year record of actuals.

We understand it will be easier for Agencies to provide a full year response rather than just the final quarter.

If there is to be a Whole of Government response to any of the questions, it would be appreciated if these are referred early to the Minister responsible to enable a response within the same timeframe as the remainder of the questions.

My Office would be very grateful if the question could be inserted at the beginning of each answer. Thank you for doing this last time.
