

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Redevelopment of Old Darwin Hospital Site

Mr Elferink to Minister for Planning and Lands

On Sunday the 16th of November 2008 I asked you if you were in possession of the costings for the work at the Old Hospital Site. Your reply was that you had the costings but you would not make them available to me and that I could ask you a question in parliament:

1. Minister will you now release the costings for the redevelopment of the Old Hospital site.
