

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Ms Walker to the Minister for Health:

Increase in staff reported in Annual Report

There was a 4.3% increase in staff reported in your Annual Report. Can you outline the increase by stream and whether they were employed by the Department, the Top End Health Service or the Central Australia Health Service?

Thank you for your question.

I will ask the Department to prepare all of the material you have asked for, to be ready to present at the Estimates Committee Hearings, should you wish to ask at that time.

This will avoid unnecessary duplication of work for the Department.
