

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mrs Lambley to the Minister for Infrastructure, Planning and Logistics:

Loves Creek Station Youth Camp

1. What is the current status of the Loves Creek Station Youth Camp?
2. How much is the NT Government continuing to spend on this Youth Camp that has not been used for more than four (4) years?
3. Is the Loves Creek Station Youth Camp still being maintained by the NT Government?
4. If so, at what cost per annum or per month?
5. If so, who has the contract to maintain the Youth Camp?
6. The following is a list of most of the infrastructure and equipment at the Loves Creek Station Youth Camp in 2018 when I visited.
 - a. Nine (9) bunk houses (60 beds)
 - b. A kitchen block
 - c. A dining block
 - d. Laundry donga
 - e. Two (2) ablution blocks
 - f. Three (3) water tanks
 - g. Generator and diesel tank
 - h. An Education donga
 - i. A separate cabin for staff
 - j. A maze of shades, paved walkways and shelters
 - k. A satellite dish and communication

What is the complete asset list of infrastructure and equipment currently allocated to the Loves Creek Youth Camp?

7. Are these items currently located at the Loves Creek Station Youth Camp, or, if not, where are they located?
8. What has happened to each of these items?

9. Was the infrastructure and equipment that has been removed sold, and, if so, at what cost?
 10. What has happened to the infrastructure and equipment that has been removed?
 11. Who received the infrastructure and equipment that has been removed?
 12. What will the NT Government do with the remaining equipment at the Youth Camp?
-

Answer:

1-12. The responses to these questions have been answered under written question 111.
