To: Minister for Infrastructure,  
Planning and Logistics

Portfolio: Infrastructure, Planning and Logistics

Agency: Department of Infrastructure, Planning and Logistics

Subject: Infrastructure funding for East Arnhem homeland schools

---

### QUESTION:

What new works infrastructure funding is there for homeland schools in the East Arnhem region? Many of these schools need visitor teacher accommodation and school building upgrades. Could you advise what is happening for homeland schools in East Arnhem and when these works will be completed?

### ANSWER:

The following projects for Homeland Learning Centres in the East Arnhem Region are planned for completion in 2021-22:

Location	Estimated Works completion date	Status
Mata Mata	Late 2021	Works are expected to be tendered in July 2021 and completed late 2021.
Langarra	Mid 2022	The replacement of the Langarra Homeland Learning Centre is currently being scoped with construction anticipated in 2021-22.

Repairs and Maintenance is ongoing for homeland schools.
