

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mrs Lambley to the Chief Minister:

Official Travel undertaken during 2020 Northern Territory General Election Caretaker Period

In response to my Written Question No. 282 on this matter, you answered “Details on travel for this period have been reported in previous written questions.”

1. What are the Written Question numbers for the answers in which details of relevant travel in the caretaker period were previously provided?
2. When will you answer part (4) of Written Question No. 282?
3. When did you become aware that your then Chief of Staff, Mr Ryan Neve, was actively and substantially involved in:
 - (a) Running Labor’s campaign for the 2020 General Election?
 - (b) Ongoing communications on policy and operational issues with the Electoral Commissioner throughout the campaign?
4. Did you formally, informally or tacitly approve the activities in (3) above?

Answer

Travel undertaken by the Office of the Chief Minister was provided to the Estimates Committee in 2021, which you are a member of. The Estimates Committee examines and reports on the estimates of public expenditure.

Mr Neve was not my Chief of Staff.
