## **Question Taken on Notice**

**Question Number: 3.28**

**Output Number: 1.1**

**Date:** 15/06/2023

**From:** Mrs Lia Finocchiaro

**To:** Hon Kate Worden

**Portfolio:** Police, Fire & Emergency Services

**Agency:** NT Police, Fire & Emergency Services

**Subject: Vacancies at emergency response area stations**

---

### **QUESTION:**

Please provide the vacancies at each of the stations assigned to emergency response areas.

### **ANSWER:**

- A majority of career firefighters are assigned to operational positions and are attached to Operational Commands. The Operational Commands provide support to the other commands during shortfalls such as training requirements, fire safety, strategy and capability commands and relieving duties to track stations as required. As a result of this support activity any vacancies on shift are filled with overtime.
- There are currently five career vacancies in Alice Springs. These will be filled shortly by five recruits from the current recruit squad who graduate in August 2023.
- Katherine – One career vacancy
- Jabiru – One career vacancy
- Tennant Creek – Two career vacancies
- Yulara – One career vacancy
