Dear Sir or Madam,

I write in support of Voluntary Assisted Dying legislation being implemented in the Northern Territory- the final jurisdiction to do so.

I encourage you to look beyond your own circumstances and religious beliefs and consider your fellow Territorians with empathy.

I ask that you also consider the senior citizens of the NT and the government's desire to retain this cohort as part of the population.

I will soon be one of this cohort and do not wish to move interstate. But I may have to access VAD as I have inherited a disease that may require it.

Look after your people.

Yours sincerely
