No. 304

WRITTEN QUESTION

J Davis to the Minister for Corrections, Hon Gerard Maley MLA:

Youth Justice Act Amendments — Evidence and Consultation

The Administrative Arrangements Order commenced 1 June 2026 allocates the Youth Justice Act 2005, other than Parts 3 and 4, and the areas of youth justice and youth detention, to the Minister for Corrections.

1. What Bills amending the Youth Justice Act 2005 have been introduced since 25 August 2024? Please list each by title and date of introduction.
2. For each such Bill, what evidence, research, modelling or departmental analysis did the Department consider in developing the amendments?
 - a. Was any modelling undertaken of the effect of the amendments on rates of youth offending and, if so, can it be tabled?
 - b. If no such modelling was undertaken, on what basis was the Department satisfied the amendments would achieve their stated objectives?
3. On 20 August 2026 a spokesperson for the Northern Territory Police Force stated that the lowering of the age of criminal responsibility from 12 to 10, which took effect in October 2024, together with a hardening of youth bail laws, “may have contributed to the increase in youth custody episodes recorded” between March and September 2025.
 - a. Before those amendments were introduced, did the Department estimate their effect on the number of young people who would be taken into police custody? If so, what was the estimate and in which document does it appear?
 - b. How does the number of young people taken into police custody since the amendments took effect compare with any estimate made?
 - c. Has the Department undertaken any review of the effect of the amendments since they took effect and, if so, can it be tabled?

- d. If no estimate was made and no review has been undertaken, on what basis does the Department assess whether the amendments are achieving their stated objectives?
- 4. For each such Bill, did the Department meet with the Office of the Children's Commissioner or the Office of the Anti-Discrimination Commissioner before the amendments were finalised?
 - a. On what dates did any such meetings occur?
 - b. Was written advice received from either office, and can it be tabled?
 - c. If neither office was consulted, why not?
- 5. For each such Bill, which organisations outside government were consulted before the amendments were finalised, and on what dates?
 - a. If a record of consultation is not compiled for each Bill, in which system is consultation recorded?
