Question:

Could you provide us with details around the consumer client survey so the sample size, break down of you know areas to be surveyed types of questions of the survey, when the survey is due to commence, when the survey is due to be completed and whether or not the results of the survey will be made public?

Answer:

It seems that the work on the customer survey is not as well advanced as we were thinking, it is in the preliminary stages and so we are not ready to proceed on that at the moment.
