Question:	How many call outs were recorded by the volunteer brigades, whether to attend to fire problems or assistance with road accidents?		
Answer:			
Answered On:			
Answer:	Bushfire volunteer call out figures are collected by brigades and submitted to Bushfires NT for collation. There is a time lag in completing the analysis of the figures due to the different methods employed by various brigades. The last year, for which we have complete records on hand, is 2007. In that year, Bushfire Volunteers attended 930 fire incidents.		
	There are no records of attending to ro	ad crashes.
