Please note that the above education programs operated in both correctional facilities unless otherwise stated.

Secondary education is offered externally at both Darwin and Alice Springs Correctional Centre.

In 2008 prisoners at Darwin Correctional Centre could complete year 12 externally through the Northern Territory Open Learning Centre (NTOEC).

In 2009 the external provider for secondary education at Darwin Correctional Centre changed to Charles Darwin University (CDU) and Batchelor Institute of Indigenous Tertiary Education (BIITE). The Tertiary Enabling Course and the Tertiary Pre Program are offered respectively.

Alice Springs Correctional Centre used NTOEC to provide external secondary education to prisoners in 2008-09.
