6-14
Question: Of those calls that are able to be traced, how many of them have been made in the last two weeks?

Answer:
Answered On: 02/08/2011

6.14

Of those calls that are able to be traced, how many of them have been made in the last two weeks?

In the period 07/06/11 to 21/06/11, 18 calls were made to MensLine Australia (MLA) that can be identified as being from the NT.
