Department: Darwin Port Corporation

Number: 8.15

Question:

How many, the number of near miss reportable incidents of workplace safety, including actual incidents of workplace safety, and the worker's compensation costs related to those incidents? I am quite happy to take it right down to a cut finger.

Answer:

Incident Reporting

In the 12 months to 31 March 2011 there were 38 reportable workplace safety incidents.

Workers compensation

In the 12 months to 31 March 2011 there were 14 workers compensation claims.

A total of \$93 211 was paid in workers compensation costs. These costs are incurred by the insurer.
