QUESTION

ANSWER

The question was how many children under the age of one are in the care of Territory Families, Housing and Communities or have been in the last 12 months or financial year 2019-20. The answer is in 2019-20 there were 33 children under one year of age entered out-of-home care. As at June 2020 there were 15 children under one year of age in care 2020 there were 15 under one year of age in care. So that means 18 of those had exited.
