WRITTEN QUESTION

Ms J Carney

to Minister for Infrastructure and Transport

Darwin City Waterfront - Lock

1. Why isn't the lock included in the Community Infrastructure?
2. What guarantees are that the consortium will build the lock at a later stage?

ANSWER

Q1 The lock is not needed until stage 2 is underway.

The lock is not included in the Community Infrastructure because it is being provided and paid for by the Private Sector. The lock infrastructure may be built as part of stage 1 at the option of the Stage 2 developer.

Q2 The lock is a required component of the Stage 2 infrastructure under the terms of the Residential Project Delivery Deed.
