

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Mills to the Minister for Police, Fire and Emergency Services.

Speed Cameras, Guns and Monitoring Equipment

1. In the 2009-10 financial year, how many motorists were booked for speeding offences in the Northern Territory.
2. What percentage of those motorists were monitored by hand-held speed cameras and fixed speed cameras.
3. What percentage of motorists were booked doing less than 10km/h above the speed limit.
4. Can you provide percentage break-downs of the speeds at which motorists were booked in 10km/h increments.
5. How much revenue was raised from speeding fines in the 2009-10 financial year and what percentage of that was from fixed and hand-held speed cameras.
6. How much above the speed limit will a fine be activated.
7. As of 1 October 2010, how many hand held speed cameras are in service.
8. As of 1 October 2010, how many fixed cameras are in service.
9. As of 1 October 2010, how many police vehicles were fitted with speed monitoring equipment.
10. How much has been spent on fixed and hand-held speed monitoring equipment since July 1, 2007.
11. Which Territory population centres have stations equipped with speed monitoring equipment, either hand held or vehicle mounted.

ANSWER

1. **In the 2009-10 financial year, how many motorists were booked for speeding offences in the Northern Territory:**
33 636 +

2. **What percentage of those motorists were monitored by hand-held speed cameras and fixed speed cameras.**

Mobile Speed Camera	37%
Fixed-Site Red Light/Speed Camera	63%

3. **What percentage of motorists were booked doing less than 10km/h above the speed limit.**

No statistics are kept on drivers exceeding the speed limit by 10kph.
72% exceeded the 0-15kph threshold.

4. **Can you provide percentage break-downs of the speeds at which motorists were booked in 10kph increments.**

Increments recorded are 15kph in accordance with legislation.

> 0-15 kph	72%
>15-30 kph	24%
>30-45 kph	2%
>45 kph	0.3%

5. **How much revenue was raised from speeding fines in the 2009-10 financial year and what percentage of that was from fixed and hand-held speed cameras.**

Total Revenue \$4.98 million.
Mobile Speed Camera \$1.3 million.
Fixed-Site RedLight/Speed Camera \$1.7 million.
Percentages provided in earlier answer.

6. **How much above the speed limit will a fine be activated.**

Speeding thresholds are 0-15; 15-30; 30-45; 45+

7. **As of 1 October 2010, how many hand held speed cameras are in service.**

There are no hand-held speed cameras; however, there are three vehicle mounted speed cameras (2 in Darwin, 1 in Alice Springs).

8. **As of 1 October 2010, how many fixed cameras are in service.**

Nine

9. **As of 1 October 2010, how many police vehicles were fitted with speed monitoring equipment.**

43.

10. **How much has been spent on fixed and hand-held speed monitoring equipment since July 1, 2007.**

\$226,611 spent on speed monitoring equipment since nominated date.

11. Which Territory population centres have stations equipped with speed monitoring equipment, either hand held or vehicle mounted.
