## WRITTEN QUESTION

CAPITAL INFRASTRUCTURE

---

Mr Terry Mills MLA to Minister for Planning and Lands

**QUESTIONS**

1. **Please provide a list of the works on the approved capital infrastructure program, including proposed tender and construction time lines.**

**ANSWER**

Refer Attachment A

2. **Please provide a complete list of the forward capital works under consideration for approval to be added to the infrastructure program, including proposed time lines for completion.**

**ANSWER**

There is no public forward capital works listing however after the Cabinet Budget process Cabinet will announce the new full Capital Works Program, complete with commencement dates. Project completion dates can be advised after this process.

3. **Please provide a list of forward capital works that have been identified by departments as necessary for inclusion into required capital works into the future.**

**ANSWER**

Each of the Departments provides their own requirements for capital works to Budget Cabinet. On completion of the Cabinet Budget process Cabinet will announce the new full Capital Works Program, complete with commencement dates. My Department can provide project completion dates after this process.
