

**LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**

**WRITTEN QUESTION**

Ms Purick to Minister for Public and Affordable Housing

**Public Housing and Social Housing**

In relation to the recent announcements on investment in public housing, social housing and affordable housing:

- (a) how many dwellings will have construction fully funded by the Commonwealths contribution of \$55M;
  - (b) how much is the NT Government's financial contribution to the 200 dwellings that have been reported;
  - (c) how many dwellings to be constructed require a non-government sector organisation contribution;
  - (d) how many dwellings to be constructed require a private sector organisation or private individual contribution;
  - (e) for each project that requires a non-government sector contribution, what is the type of contribution (financial or other) required;
  - (f) for each project that requires a private sector or private individual contribution, what is the type of contribution (financial or other) required;
  - (g) what is the location of each dwelling to be constructed under the scheme;
  - (h) how many dwellings, as of 1 April 2010, are under construction and where are they located; and
  - (i) how many dwellings are yet to have a tender for construction issued, or if non-government or private sector, are yet to have construction started.
-
