#### **Ministerial Visit to China – November 2014**

1. Did you undertake any official duties during your stay in Hong Kong on 8 November 2014?

A: YES

2. If so, what official duties did you undertake and during what times were they undertaken?

A: At approximately 8:30AM I travelled by car to the Jockey Club Ti-I College in Sha Tin and arrived at approximately 9:30AM. At this location I met with delegation and principals, and joined their professional development activities. I also spent some time speaking to the group as a form of conclusion to the China visit. The activities in Sha Tin were the last in the official program for the principals and the official delegation.

At approximately 10:30AM I left the group and returned to the accommodation in time for Lunch.

This was the extent of my official duties for Saturday 8 November prior to catching my flight back to Australia in the evening.

3. Did you or any Member of your Ministerial staff receive a separate invoice from Latitude Travel for the cost of the accommodation in Hong Kong?

A: NO

4. If so, for each invoice:

(a) What was the value of the accommodation?

(b) Who paid for the accommodation?

(c) When was the invoice paid?

A: NOT APPLICABLE
