1. Does the government propose to set up a Flying Doctor Museum and Visitor Centre at Yulara.
2. If so, has the government considered the possible impact on the visitor numbers to the Flying Doctor base in Alice Springs.

ANSWER

1. There is no proposal to set up a Flying Doctor Museum at Yulara. However, the Yulara Corporation has advised me that it is negotiating with the RFDS for the establishment of a new medical clinic, ancillary to which will be a resource centre, a theatrette and a souvenir outlet.
2. The proposed RFDS facilities at Yulara have been discussed with the RFDS who consider that there would be a minimal effect on visitor numbers to their Alice Springs base.
