QUESTION

Can you give us the dates of the three times you have visited the centre in relation to the evacuees?

ANSWER

On 3 March [editor note: on 16 June 2023 Minister Lawler requested this be changed to 4 March] I went there with the Chief Minister. That was very early on when the evacuees were there. On 21 April I went there to thank the DIPL staff for their work and had a tour. On 5 May I was there with Louise McCormick, my adviser, and Channel Nine media.
