Subject: Elliot unit vacancies and properties allocated

QUESTION

How many of the two-bedroom units in Elliott are sitting vacant since they were completed, and how many Territory housing properties have been freed up and allocated to locals?

ANSWER

As at 31 March 2024, the reporting period, of the 10 new Government Employee Housing dwellings in the Elliott community, nine are allocated and occupied by client agencies, so other government agencies. One dwelling was changed to industry housing and has been allocated to the Northern Land Council. No remote housing properties were made available as a result of the new GEH buildings being built. All dwellings are still utilised for GEH due to worker demand in Elliott.
