**From:** Mr Joshua Burgoyne

**To:** Mr Dennis Bree

**Portfolio:** Essential Services

**Agency:** Territory Generation

**Subject:** Spending on contractors last financial year.

---

### **QUESTION:**

How much did Territory Generation spend on contractors performing core and/or maintenance work last financial year?

### **ANSWER:**

Territory Generation spent a total of \$11.9M on contractors performing core and maintenance work on our generating assets, including major overhauls, for the 2022-23 financial year.

The use of contractors for such work is in circumstances where the:

- (a) volume is beyond the capacity of the resources or staff of Territory Generation; or
- (b) type of work required is beyond the capability of Territory Generation resources.
