WRITTEN QUESTION

Mrs. Finocchiaro to the Minister for Trade and Major Projects

Ship Lift Facility

1. What is the detail of the \$5 million allocated to the due diligence of the ship lift facility and how does it relate to the considerable investment made into the feasibility of the project undertaken by the Paspaley Group of companies?
2. What firm commitments have been received from the Federal Government to utilise this facility for defence border protection and other Commonwealth purposes? Please provide copies of the correspondence with the Commonwealth in relation to this important project which has bi-partisan support.
