Question:

Mr WOOD: I will shorten it slightly. How much money was spent on travel in 2008-09 - because you have 2009-10 - where was that travel to, the reason for the travel, and a list of who travelled on those trips?

Mr McCARTHY: In 2008-09, the total under those headings was \$95 955 and the year to date 2009-10 as stated was \$277 000.
