

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mrs Finocchiaro to the Minister for Health:

Shared Services

1. What elements of shared services between Health and Territory Families still exist?
 2. When will they, or will they be separated?
 3. What has it cost to separate corporate services between the two agencies?
-

RESPONSE

1. Shared services that still exist between the Department of Health and Territory Families include provision of Data Warehouse and Business Intelligence environments and the Community Care Information System.
2. This is under negotiation but will be separated when the Core Clinical System Renewal Program and the new Department of Health Enterprise Data Warehouse is deployed.
3. Separation of corporate services has been cost neutral.
