

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Mills

to Minister for Essential Services

ENI Australia Gas Supplies to PowerWater

1. What are the terms of the arrangements between the NT Government and ENI Australia to supply gas to PowerWater Corp.
2. What price will the Territory be paying for each Million British Thermal Units (MMBtu) of gas from ENI Australia.
3. What is the anticipated annual cost to be paid by PowerWater Corp for this gas supply from ENI Australia.
4. Will the Territory Government be contributing to the construction of the infrastructure associated with the delivery of gas to Darwin; if so, please detail that commitment and costs to the Territory Government.

ANSWER

In regards to questions 1, 2 and 3:

The terms of the arrangements between the Power and Water Corporation, the suppliers of the gas, Eni Australia, and APA, who own the pipeline that will transport the gas, are commercial in confidence, and can not be disclosed.

Question 4:

No.
