

## LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

### WRITTEN QUESTION

Ms Purick to the Minister for Lands and Planning.

#### **Aerial Photography, Lands and Planning**

1. Is the Department planning to fly aerial photography over the greater rural area of Darwin during the balance of the 2012 year including the areas of Humpty Doo, Bees Creek, Virginia, Howard Springs, Girraween, Lambells Lagoon and Noonamah?
  2. If the Government is planning to fly aerial photography, what is the purpose and what departments will have access to the data?
  3. If the Government is planning to fly aerial photography, will the data be outsourced and/or available to local government organisations?
  4. If the Government is planning to fly aerial photography, what contractor will be undertaking the work and at what cost?
