To whom it may concern,

My name is John Martin, [REDACTED]

I wish to express my ardent opposition to VAD in any form in the Northern Territory. My father passed away in February of this year at the age of 94 years, and my sister and I were so pleased at the valuable palliative care he received up till his end . I believe this is where our funding should be going. A channel which celebrates life with great care and love, to the end.

Yours sincerely,  
John Martin
