No. 197

## WRITTEN QUESTION

Mr Guyula to the Minister for Housing, Local Government and Community Development, Hon Steven Edgington MLA:

### **Northern Territory Government (NTG) Homeland Funding**

1. What funding has been provided to homelands by the NTG (excluding Commonwealth funding) for the financial years 2020/2021, 2021/22, 2022/23, 2023/24, 2024/25 and what is budgeted for the financial year 2025/26?
2. Given the enormous increase in costs that homeland communities have experienced in the past 5 years particularly in relation to rising fuel costs and construction costs, will CPI be applied to future homeland funding to ensure that the real value of the funding is maintained?
