---

The Committee has considered the Electrical Safety Amendment Bill 2026 (Serial No. 50). The Committee called for submissions on 5 February 2026 to be received by 16 February 2026. The Committee received one submission to its inquiry from the Master Electricians of Australia.

The submission was supportive of the Bill and the Committee has no matters to bring to the attention of the Assembly. The Committee recommends that the Assembly pass the Bill.
