

Three Levels of Government

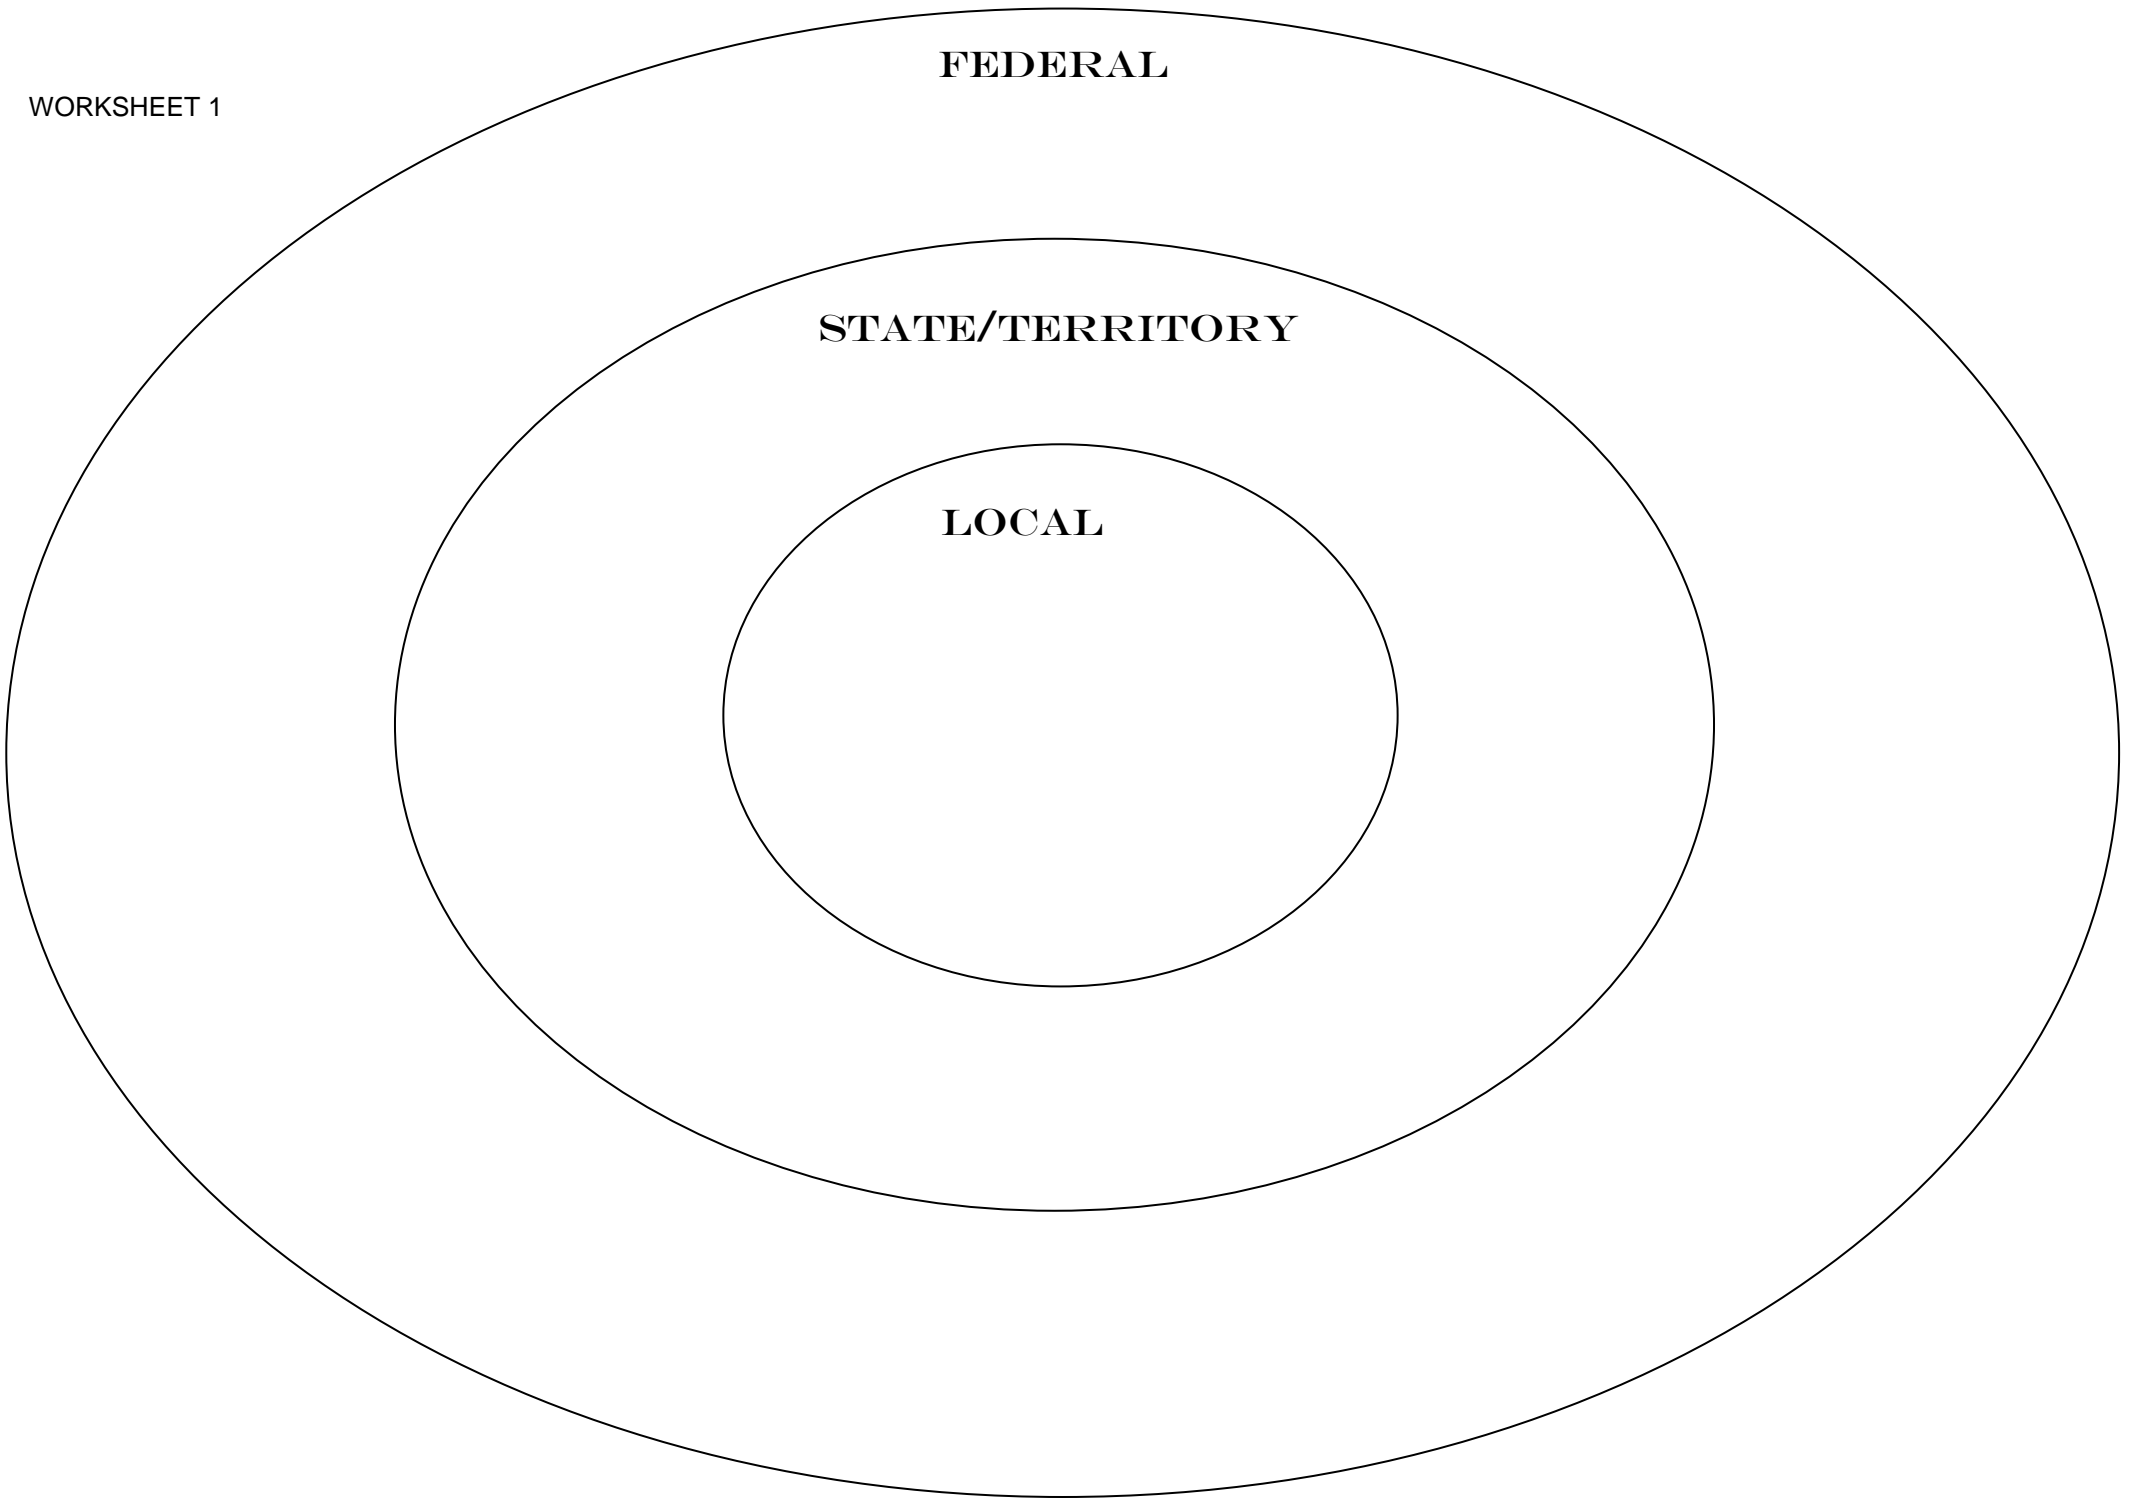

ACTIVITY IDEAS

1. Using the worksheets below, complete the following activity:
 - Cut out the different areas of responsibility
 - Glue/stick them into the level of government responsible for that area
2. There is a higher level activity for Three Levels of Government on the website for more capable students
3. Research one of the levels of Government and write a brochure on its roles in Australia, include pictures.
4. Each student writes down a law they want to see changed. As a class determine which level of government would have to be petitioned for each law.
5. Identify the Member for your school's electorate, and / or students' residential electorates, for each level of government.
