

Suspension Data for Substance use/possession

Data sources - Enrolment & Attendance /Behaviour 2013 - Current

Please note that the data has been provided for the requested purpose only. This data cannot be used for commercial purposes and the source of this data should be acknowledged in any publication using or referring to this data.

Data in this report has been sourced from the NT Department of Education's behaviour dataset. The data is subject to change and should be considered indicative only.

Data has been provided on the basis that it is to be used for this specific request and is not for further distribution or publication.

"Number of Students Suspended" is the total number of students suspended within the time period. A student can be suspended more than once.
